

Level 4 Safeguarding Children Conference

Barts Health NHS Trust will be running its inaugural Level 4 Children Safeguarding training day at the Education Academy of the Royal London Hospital, Whitechapel, London on the 10th October 2025.

The course is aimed at Named Professionals in Children's Safeguarding who are already established in role but need to keep their learning up to date at level 4 in line with the Safeguarding Children and Young People: Roles and Competencies for Healthcare Staff (Intercollegiate Document).

The course will be a mixture of presentations from expert speakers, which will cover a number of hot topics in children's safeguarding and a series of workshops which be facilitated by experts but where the emphasis will be on shared learning from the expertise all participants will bring to the course.

The course will be in-person only and will be limited to 100 places, which will be allocated on a first come basis to appropriate applicants.

Further information on the course content and pricing is listed on the next page or you can contact **Clare Hughes**, Associate Director of Safeguarding – Corporate Nursing for Barts Health at clare.hughes@nhs.net if you any specific queries.
